A full day trip to Sohoton Cave is not to be missed. About two hours boat ride from Siargao Island, the travel is well worth it as the sight that awaits you is truly magnificent. More of a lagoon with an entrance through a cave that's usually half-submerged in water and is only accessible during low tides, Sohoton's forest cliffs, turquoise waters and underwater wildlife will amaze you. Swim into caves and see stalactites, bats, exotic fish, and hundreds of non-stinging golden jellyfish.
